

mnist

fashion

all

```
graph TD; mnist --> all; fashion --> all;
```

The diagram consists of three rounded rectangular boxes. At the top left is a cyan box containing the text 'mnist'. At the top right is a red box containing the text 'fashion'. At the bottom center is a yellow box containing the text 'all'. Two gray arrows point from the bottom of the 'mnist' box and the bottom of the 'fashion' box towards the top of the 'all' box, indicating a relationship or flow from the individual datasets to the combined set.
